Master File Case No. 5:23-cv-03440-EKL-SVK
Consolidated Case No. 5:24-cv-02531-EKL-SVK

**ORDER GRANTING *IN PART* PLAINTIFFS'
MOTION TO AMEND CASE SCHEDULE**

ORDER

On September 12, 2025, Plaintiffs filed a motion to further amend the case schedule, seeking a six-week extension of all case deadlines. ECF No. 223. Google opposed but offered a compromise of a three-week extension of class certification-related deadlines only. Having considered the Parties' submissions, the Court finds that there is good cause to grant the relief in part by extending class certification-related deadlines by approximately three weeks, consistent with Google's compromise offer. The following class certification deadlines shall apply, and all other case deadlines remain unchanged. *See* ECF No. 199.
